Sub: Bye-elections - Maintenance of Record.

I am directed to invite your attention to the Commission's letters No. 56-BR/52-1-Elec.III, dated the 22nd November, 1952, and No. 55/52-Elec.III dated the 15th January 1953, on the above subject, and to state that in a number of cases, it has been observed that the lists of candidates nominated at an election, including those whose nomination papers are rejected or who withdraw their candidature in time, furnished by the State Governments, do not indicate the addresses of the candidates, Nor is it indicated whether any of them was prevented from contesting the election on account of rejection of nomination papers, or withdrawal of candidature. I am therefore to request that suitable instructions may be issued for the supply of full information in future.
